The Honorable Richard Burr  
United States Senate  
217 Russell Senate Office Building  
Washington, DC 20510

Senator Burr:

Thank you so much for your on-going leadership on veterans' issues. We are grateful for your recent accomplishments as Ranking Member of the Senate Veterans Affairs Committee, and appreciate your continuing determination to address the needs of veterans who are homeless. I am writing to express the support of the National Alliance to End Homelessness for the *Homeless Veterans Prevention Act of 2015*, which will help remove barriers to housing for veterans and move the country closer toward bringing an end to homelessness among veterans.

The legislation's focus on improving transitional housing and expanding prevention and re-housing initiatives is critical to ensure that every veteran has a place to call home. Further, as we move closer to our goal of ending veteran homelessness, the bill takes an important first step in re-tooling the homeless veteran system so that it is better able to prevent homelessness and resolve housing and service crises.

Thank you for introducing this important legislation. The Alliance fully supports its provision of enhanced resources and services for the men and women who served our nation so ably and bravely, but who continues to struggle with homelessness.

Sincerely,
